WHY USE PACIFIC COAST BAR & BEVERAGE

Pacific Coast Bar & Beverage is the most experienced, price competitive, and customer oriented bar service in Southern California. Our company is the only bar service that guarantees your satisfaction or your party is FREE. We are a fully licensed liquor caterer and hold \$2,000,000 in liquor liability insurance and \$2,000,000 in general liability insurance. Our experienced bartenders are capable of hosting small get-togethers from 25 guests to handling corporate events of over 8,000 people. Our knowledge of the catering industry and our commitment to excellence will help transform your event into a party everyone will remember.

We pride ourselves on being very flexible in arranging a custom bar service for your special event, and have many different packages that are able to suit every budget. Please discuss your needs with our events coordinator, and they will be able to customize the arrangement that is right for you.

Rest easy knowing that we have the proper Liquor Liability Insurance and General Liability Insurance the law requires. Several different packages are available, so why not let our coordinator customize a quote that will be sure to meet your needs. Remember, your satisfaction is guaranteed.

WE'RE ANYWHERE YOU NEED US TO BE

No matter where in Southern California you want to host your event, PCBB can accommodate you. We possess a professional network of bartenders that span from San Diego to Bakersfield. Our professional bartenders are trained to be courteous, prompt and experienced. We guarantee to arrive ahead of schedule and ensure that everything is prepared and ready for service upon the arrival of your first guest.
